

Checklist for Submitting Manuscripts Through the Editorial Manager

Incomplete submissions will be returned to the author.

- Submit your manuscript through the Editorial Manager <http://www.editorialmanager.com/emedjournal/default.aspx>. Below is what you will need to upload your submission.

- Entire submission typed double-spaced, page numbers in the lower right-hand corner, including:
 - Title page with the following:
 - title of manuscript
 - complete name(s), academic degree(s), department(s), and professional affiliation(s) of all author(s)
 - full name and address of corresponding author for reprint orders

 - Abstract and index words

 - References following manuscript *in order of citation* (not alphabetical order)

- Tables, each on separate sheet, with titles

- Illustrations, labeled

- Legends for illustration, double-spaced, on separate sheet(s)

- Permission from copyright holders to use previously published materials and from institutions for use of forms, protocols, etc.

- Informed consent for patient photographs

- Disclosure information for each author. (Use the ICMJE conflict of interest disclosure form.)

NOTE: Authors are requested to keep a copy of their manuscripts!
